How to book?

So you've worked with us to come up with a package you love and you're ready to book...now what?

1. *Save the Date Deposit* - We will send you an invoice of £1,200 to secure your date.
2. *Sign Contract* - We will then send you your booking contract to check and sign.
3. *Sign Terms & Conditions* - We will also send you our Terms and Conditions document to check and sign.
4. *Agree Payment Plan* - 4 weeks after you've signed both these documents, you will receive an email which shows the payment terms as described in our terms and conditions – at this point if you would like to request bespoke payment terms you can let us know by replying to the email. We will review your request and come to a mutually agreeable payment plan.
