What if it rains?
We are licensed to hold ceremonies both outside at our rustic boat house and inside the marquee in our new rustic barn extension. On the day, if the weather doesn't look favourable, we will prepare both locations for your ceremony. When the registrar arrives, they have final say on where the ceremony must take place.

Do I need to book the registrar or celebrant?
Yes, this is up to you to book. As we are in the county of Lincolnshire, this is through Lincolnshire County Council. If you need further information please get in touch.

Are there any restrictions with décor?
We ask you to not hang anything from the sides or ceiling of the marquee due to restricted weight limits, and please avoid fixing anything in place with something that might cause permanent damage. If you're not sure, please get in touch. Other than that, you can decorate as you like!

Do you allow confetti?
Dried flower petals are allowed near the boat house/ceremony space, but not in the form of non-biodegradable confetti like party poppers, rice, or paper. Guests are asked to keep all confetti away from the lake as this may harm the fish and other wildlife. Bubbles are preferred.

We only allow LED candles inside the marquee due to health and safety fire regulations.

Can I set up decor the day before?
