We cannot recommend Crown Hall Farm enough.

Every single person we have ever interacted with from our initial visit to our big day has been amazing. Nothing was too much trouble and we couldn't be happier that we chose this venue.

What some of our 2025 couples said

Absolutely amazing venue. People working there were so friendly and really couldn't do enough for you. Food was exactly what we wanted and were promised. All our guests keep saying how it was such an amazing day. Anyone who is getting married should definitely go visit Crown Hall Farm! Especially, if like us, you want your furry friend to join you on your special day!

We are so glad we chose Crown Hall Farm as our wedding venue. The picturesque lake and boathouse created the perfect backdrop for our ceremony. The rustic marquee and bar looked beautiful, and both the BBQ and evening street food were absolutely delicious; we had so many compliments from our guests.

From booking this venue to our big day the staff were amazing throughout and we couldn't have asked for more! They went above and beyond in the process and over delivered on the day! Crown Hall Farm is beautiful and what tops it off is that fact nothing is to much before or on the day! Thank you for everything!!

We cannot fault Crown Hall Farm. We fell in love with the venue almost instantly and attended multiple open days, each time all of the team members we met were always happy to answer any extra questions we had, and showed a genuine interest in our wedding. We would recommend them to ANYONE. We couldn't think of a better place to get married.
