A bride and groom are walking away from the camera on a paved path at an outdoor wedding venue. The bride is wearing a white lace wedding dress with a long, flowing veil and is looking back over her shoulder at the camera. The groom is wearing a light grey suit and is walking slightly ahead of her. The path is lined with green grass and trees. In the background, there are strings of white spherical lights hanging from wooden posts. A dark wooden building is visible in the distance.

“We don’t know where to start, our wedding day was the best day of our lives! It was the most perfect day, everything went so smoothly and everyone was so helpful.
