We have 3 x rooms on site, which must be booked via the wedding couple directly.

As well as several hotels and guesthouses nearby us - we always recommend booking nice and early.

WHEELCHAIR ACCESS

We are wheelchair accessible with two designated parking spaces, accessible toilets, wheelchair-friendly paths to the marquee, and a flat marquee floor.

PERSONAL BELONGINGS

Please note there is no cloakroom on site, so we advise keeping coats, bags, and personal items with you.

Any items found after the event will be held for a limited time - but please contact the couple in the first instance as they are our main contact.

BABY CHANGING

Our toilets include a dedicated baby changing area, with a bin provided for the safe and hygienic disposal of nappies and wipes.

ON SITE BAR

We operate a cash and card bar which will be open 30-minutes before the ceremony, up to last orders.

We have a selection of both alcoholic and non-alcoholic options available, including beers, wines, spirits, hot and cold soft drinks.

Alcohol consumed on site must be purchased directly from Crown Hall Farm. Alcohol found not purchased from the bar will be confiscated.

If you appear under 21, our bar team will ask for valid photo ID before serving alcohol.

SMOKING & ILLEGAL SUBSTANCES

Smoking and vaping is only permitted in designated outdoor areas.

Please do not smoke or vape in or near the marquee, barns, or entrances.

Drugs are strictly prohibited. Anyone found taking drugs will be removed from the property and reported.

USEFUL THINGS TO KNOW ABOUT OUR VENUE

The couple will already be aware of these, but this is helpful to know as a guest, so everyone can relax and enjoy their day.

- Candles and naked flames are not permitted inside the marquee.
- Please only bring biodegradable confetti, for use outside only - it is always worth checking with the couple first too!
- Children should be supervised at all times as the venue includes water features and uneven ground. Keep those small ones safe!
- Wildlife is part of our setting, you may spot ducks, birds of prey, deer, or badgers, please let our team know but stay a safe distance.
- We have air con units that heat or cool the marquee - for these to work the best they can, help us by keeping the doors closed.
- Please be considerate of our neighbours when arriving and leaving, particularly later in the evening.
- Our friendly team are there to support with any accidents or incidents on the day - so please feel free to ask for help.

Thank you for helping us keep the day safe, comfortale and enjoyable!

DIETARY REQUIREMENTS

Please let the wedding couple know as soon as possible if you have a food allergy, intolerance, or a dietary requirement, so we can cater for you safely.

On the day, if you are unsure about any ingredients, speak to the hospitality team before consuming food or drink.

We want to keep you safe!

SOME FINAL TIPS!

Bring layers - evenings can be cooler.

It is uneven in some places outside - so a change of shoe is not a bad idea!

Eat before drinking and pace yourself.

Please follow the couple's guidance on gifts and card boxes.

Most importantly, relax and enjoy celebrating the happy couple.
